Welcome Message ▶▶▶

Dear Colleague,

It is our great pleasure to invite you to participate in the annual **HKSTENT** – Cardiovascular Intervention Complication forum (CICF) on 17-18 March 2018 in Hong Kong.

HKSTENT is the first and only formal Interventional Cardiology Society registered as a charitable organization under the Inland Revenue Department of Hong Kong. It was founded with the aim of promoting education, research, and advancement of Interventional Cardiology in Hong Kong and Asia for the benefit of interventionalists, cardiologists, allied health workers, and the general public at large.

As the first-of-its-kind meeting in Asia with focus on the management of cardiovascular intervention complication, we are proud to have world renowned experts Prof Eric Eeckhout, Prof Michael Haude and Prof Alan Yeung as Course Co-Directors in our Forum. Unique to the program is a series of case based lectures on tips & tricks in managing complication, interactive case studies with experts, allied health session and hands-on workshop for complication management. We are confident that **HKSTENT** – CICF 2018 will offer you insightful and rewarding experience.

Situated in the heart of Asia, Hong Kong is a destination like no others with a dynamic living culture where East meets West. You will be fascinated by the living culture of unrivalled shopping, marvellous dining and fun-filled theme parks cater for families. Beaches and countryside are only minutes away from the bustling city. The breathtaking harbor vistas and spectacular night scene will also leave you an unforgettable experience. This is a perfect place to share and to learn through cases from all over the world. Do come along and don't miss this exciting event! Register now!

Look forward to welcoming you at **HKSTENT** – CICF 2018!
